## Climate Prayer

O God, we pray for justice and fairness for those worst hit by our changing climate. We know people living in extreme poverty around the world are worst hit by the climate crisis but have done the least to contribute to it. They also have the fewest resources to implement change. We ask for your mercy, O Lord, and repent when our blind consumerism has led to an increase in emissions, pollution and the destruction of our common home. Amen.

**Amen.**
