The Climate Coalition are running a campaign to send green hearts to MPs. I am encouraging individual or groups to join the fun. It doesn't take long; you just need a green heart on which you can write a message about what they love about our local community and why you want to see climate and nature action at the heart of our community. Bring your heart to church by **Sunday 14th February**. The heart can be cut from green paper, white paper coloured green, an old magazine, an old box, a leaf, cloth etc. I will then make a communal display. If you belong to a group why not make hearts together, it could be biscuits, wooden, clay the ideas are endless. Link below to find out more. Thank you Submitted By Jane Crowther

Lent Prayer Walking - Lent begins on 18th Feb

Over Lent there is an opportunity to prayer for your neighbours either prayer walking the streets around you or from the comfort of your own home. The aim is to intentionally cover the whole Parish in prayer.

Each week of Lent set aside half an hour or so to walk and pray for your local area.

If possible, ask someone you know to walk the area with you.

There are sign-up sheets at the back of church.

Sign up for the streets you aim to pray for and as the week goes on keep checking the list to fill the gaps.

PRAYING
for you, praying
for everyone.

★ If you know of someone who would appreciate prayer during the One of our services and have given their permission, please let a welcomer/ church warden/ reader know on arrival so the person leading intercessions can add the name to the prayers that day. Spread the word because prayer is important.

Please Pray...

Loving God, Protector and healer, we pray for all the lonely and vulnerable people in and around Congleton, let them see your love shine through your people around them. AMEN
